

DELIUS DOHERTY

SKILLS

Interpreting language into action for theatre and film auditions, rehearsals, and performances.

OBJECTIVE

Train students to unlock and learn to use their unique experiences to tell a story in a clear captivating way.

EXPERIENCE

Assistant Professor | UNLV | 2016-2019

Musical Theatre 400

- Created the curriculum for UNLV's only Musical Theatre course.
- Students learned to apply Stanislavski acting principles in performance of material from American musical theatre.
- Students strengthened their musicality while learning how to prepare for a professional audition and callback.
- Students found and learned several genres of material to assemble a diverse audition book.

Assistant Professor | UNLV | 2016-2019

Acting 100

- Students named and identified key playwrights.
- Students used script analysis to interpret language into action.
- Students garnered storytelling skills to help them with all manner of performance including acting, public speaking, interviews, and job performance.
